DON FEENEY SELECTED AS CONSERVATION TEACHER OF THE YEAR FOR MAINE

Donald Feeny, Chairman of Gould Academy's Science Department, and teacher of Biological and Life Sciences, has been named by the National Association of Conservation Districts and the Allis Chalmers Company, as the Maine State recipient of the Environmental Conservation Award, "Teacher-of-the-Year." Feeny is known as a naturalist and one who is firmly committed to the study of "hands-on" science. That is, the extensive use of the natural environment as an outdoor laboratory where the students can work not only with their brains but also with their hands. Through his efforts, a series of science term courses, covering such topics as animal behavior, natural history, oceanography, botany, astronomy, anthropology, ornithology, archaeology and computer study, are offered at Gould. The popularity of these and the regular year-long courses in Biology, Chemistry and Physics is borne out by the fact that over 80% of all Gould students are enrolled in at least one science course. Feeny was raised in Saco and has lived in Maine all his life. He is a graduate of the University of New Hampshire and before coming to Gould, served in the U. S. Army in Germany and Viet Nam as the Captain of a medical assistance unit. He has taught at Gould for nine years and has been science department chairman since 1971. COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Board of Assessors met Monday evening, Oct. 17, to continue reviewing questions and concerns about valuations. Richard Angevine met with the Board to review his property values. The majority of the evening was spent reviewing specific parcels and making corrections where required. The next meeting of the Assessors will be Monday evening, Nov. 7.

Winter hours at the Town Dump will become effective Sunday, Oct. 30. Winter hours will be 9 a. m. to 5 p. m., Tuesday-Saturday, with the dump being closed Sunday and Monday. Sunday, Oct. 30, will be the first Sunday the dump is closed.

The Annual Maine Municipal Association Convention was held last Wednesday, Thursday and Friday, Oct. 12-14, in Portland. Attending portions of the convention from Bethel were Selectman LeLand Brown, Manager Norman Ness, Town Clerk Merton Brown, Highway Foreman Robert Davis, and Bookkeeper Nesta Littlefield. The Board of Selectmen will meet Monday, Oct. 24, at 7:00 in the Town Office. Agenda items will include discussions with the Water District Trustees regarding the water system, discussions with the Forest Management Program at the Town Farm and review of correspondence.

On Tuesday evening, Oct. 25, at 7:00 in the Fire Station the Maine Department of Transportation will hold a public hearing regarding the proposed installation of automatic signals at the Perry Road Crossing and discontinuance of the Smith Crossing and the Cemetery Crossing at West Bethel. Interested citizens are urged to attend.

Work has been mostly completed on the bridge on the Grover Hill Road and the road is now open to traffic.

ANDOVER VOTERS FAVOR REMOVAL OF TWO SELECTMEN

At a special town meeting last Thursday evening, Andover voters cast ballots favoring the recall of two selectmen, George Chase and David Hutchins, by a 126 to 73 tally. The third member of the board, William Helm, resigned on Sept. 26.

Mr. Chase said that regardless of the vote the selectmen would hold office until removed by court action. He cited a statement by an attorney for the Maine Municipal Association that "recall" is a political remedy that must be established by a charter provision. Andover has no such provision and reportedly the vote has no legal effect.

In other action the meeting granted people who had already paid their taxes 10 days to file notice that they were paid under protest. Also the selectmen were ordered to follow the state schedule in valuation.

The meeting was recessed until 10 a. m. on Oct. 29 to conduct that business as could legally come before such meeting.

Dissatisfaction with a 60 to 300% increase in taxes created the situation leading to the meeting last Thursday.

Roderick Sidelinger was named to replace Mr. Helm at a special election two weeks ago.

VRABLE ELECTED PRESIDENT OF EDUCATION WORK COUNCIL AT ANNUAL MEETING

On Wednesday evening, Oct. 12, the first annual meeting of the Bethel Area Community Education Work Council was held at the Sunday River Inn.

Following a short presentation on the purposes and objectives of the Bethel Area Community Education Work Council, the proposed by-laws, drafted by the Ad Hoc committee, were presented and accepted. A slate of nominees to the Board of Directors was presented and elected as follows:

Mrs. Helen Berry, Bradbury Blake, Richard "Sonny" Blake, Ms. Karen Brown, Robert Chabourne, Ms. Robin Doon, Dr. David Fearon, Richard James, David Pervale, Jochen "Joe" Robiller, Kenneth Smith, Dexter Stowell, John Vrabec, Thomas Wheeler and Mrs. Marie Wilson. The Board will also include two students from the Junior or Senior Class at Telstar, to be selected at a later date.

During a Board of Directors meeting, which immediately followed the annual meeting of the Council, the following officers were elected: President, Mr. Vrabec; Vice President, Mrs. Berry; and Secretary/Treasurer, Mr. Smith. The next meeting of the Board of Directors will be held on Wednesday, Nov. 16, at a place to be announced. All meetings are open to the public and interested citizens are welcome to attend.

POST OFFICE TO BE CLOSED MONDAY, OCT. 24

In observance of the Federal Veterans Day on Monday, Oct. 24, the Bethel Post Office will be closed. Local banks and S. A. D. #44 schools will be open on Oct. 24, observing Veterans Day on the traditional date of Nov. 11.

S. A. D. #44 DIRECTORS HOLD MEETING AT ANDOVER

A regular meeting of the board of directors of M. S. A. D. #44 was held at the Andover Elementary School on Monday evening of this week.

Attending the meeting as representatives of the Telstar Student Council were Mindy McElmurry, sophomore and Glen Conrad, a junior. Miss McElmurry reported on activities at the school, including plans for Homecoming to be held Friday and Saturday, Oct. 21-22. Dr. Wayne Gerson, Telstar principal, reported on the progress to date on the accreditation process. Work thus far has been in the area of Philosophy and Objectives, and School and Community.

A status report on the District Testing Program in grades two through nine was given by Art Froburg. He said that it should be completed during the current week. There was a possibility however that completion might be delayed a week if materials needed were delayed in transit.

Elementary Supervisor Cliff Wing gave a status report on curriculum and instruction at the elementary level.

Superintendent Kenneth Smith reported that eleventh graders in S. A. D. #44 would be tested sometime in November in selected basic skills as required by a recently enacted State statute. Mr. Smith stated that the school buses were tested by Cpl. Tony Brand of the Maine State Police Traffic Division on Oct. 6. Eight defects out of a possible 1,500 were noted, four of these being for insufficient tread depth on tires. Good tread was showing all around the tires and the Transportation Supervisor believes that another 5,000 miles could have been driven on the tires. It was suggested that the district take steps, along with others concerned, to get the law regarding tread depth changed without jeopardizing student safety. Each of the eight defects were corrected before the vehicles were returned to duty.

Mr. Smith reported the formation of a S. A. D. #44 Health Education Committee. The committee will be working during the current year to develop a comprehensive program to be offered to students in the 1978-79 school year. Also he reported that there had been a break-in at the Crescent Park School at the week end of Oct. 15-16. A window was broken in the office area, a filing cabinet, first aid kit and supplies opened, and about \$43 taken. The case remains under investigation.

The board gave its first reading approval to proposed board policies entitled "Rules and Regulations of the Board of Directors." Also granted initial approval was a "General Policy Statement."

The board tabled any action relative to the election of a Reading Teacher at the Middle School, and of a Title I Teacher to assist Middle School students with math and reading problems, until the next board meeting.

Under buildings and grounds the following were mentioned: as an emergency safety measure, the chimney at the Ethel Bisbee School will be topped and relined;

RED CROSS WORKERS PLAN BLOOD DONORS CLINIC

Plans are underway for Bethel's Blood Donors Clinic to be held Monday, Nov. 14, from 1:00 p. m. to 7:00 p. m. at Gould Academy. The first meeting of local volunteers was held Tuesday morning at the home of Mrs. Frances Harding.

The American Red Cross took over the Blood Donors program at the request of the Maine hospitals which are in need of a continued supply of blood. Blood collected from volunteers has proved considerably safer than blood obtained from paid donors. Modern laboratory techniques are able to process a unit of blood into four components so a blood donor has the satisfaction of contributing to the saving of four lives—not just one.

Past and prospective donors will be contacted by neighborhood volunteers. It is hoped the same fine spirit of cooperation will again insure a successful Blood Donors Clinic enabling Bethel and surrounding towns to meet their quota. Volunteers are needed and anyone having an interest in this program is urged to contact Frances Harding 824-2730.

FIRE DEPARTMENT COMPLETES THREE-DAY COURSE OCT. 19

Wednesday, Oct. 19, eighteen men from the Bethel Fire Department, with two from Locke Mills Fire Department completed a three day course on the use of self-contained air packs, with two days at the fire house in class room and in training Wednesday evening when they wore air packs in complete darkness in a situation which was as near to the real thing as possible. Thanks to the Bethel Savings Bank for the use of a building in which a non-corrosive and odorless smoke was used to give the firemen practice in a real life situation.

The Fire Department would like to thank Dick Cadwell, State instructor and also Ray Moran of the Savings Bank for the use of the building.

Bids are being asked for a new well at Telstar; electrical system in the old section of the Andover School will be receiving major attention; and the heating units at the Telstar Middle School have arrived and are being installed.

A field trip for the Telstar Band was approved. This will enable the band to accompany the football team to Messalonskee on Oct. 29.

The following coaching positions were approved: cheerleading (winter), Ellen Durgin; J. V. girls basketball, Brian Flynn; Middle School boys basketball, Phil Taylor. Appointment of a boys J. V. basketball coach was tabled.

Ronald Deegan was appointed to a 32-week position as combination bus driver/custodian/maintenance man. Carol York was approved as a bus driver (38-week position).

Board members not present Monday evening were: Betty Ann Hastings, Bethel; Margaret Wight, Newry; Andrew Hinkley, Woodstock.

The next regular meeting of the S. A. D. #44 board is scheduled to be held Monday, Nov. 7.

EAST ANDOVER
—Mrs. Marjorie Jodrey, Corres.—

Mrs. Charlotte Sennett entertained the East Andover Community Club Oct. 11 at her home. There were eight members present. Mrs. Elizabeth Sennett, Mrs. Evelyn Bell, Mrs. Ulfred Tucker, Mrs. Ethelene Merrill, Mrs. Violet Swain, Mrs. Barbara Meisner, Mrs. Polly Jones and the hostess, Mrs. Sennett. A social evening was enjoyed after the business meeting and refreshments served.

On Oct. 14 the Andover Friday Club met at the home of Ann Fox. Twelve members present were Madeline Wentzell, Marie Nupputa, Thelma Clark, Betty Grindle, Marie Lang, Laura Learned, Dorothy Campbell, Gertrude Percival, Betsy Fisher, Dorothy Greenlow, Ann Fox, Mrs. Fox and Marie Nupputa were hostesses. After a short business meeting, President Thelma Clark turned the meeting over to Marie Lang for the program, which was a reading of the history of "Lone Mountain Grange" written by past secretaries Evelyn Stevens and Margaret Emerson and read by Dorothy Greenlow and an album of Grange pictures was circulated to the members. Roll call was the traditions of Andover. The traditions recalled were May baskets hung during the month of May; Fourth of July parades with a marching band, which marched from the bandstand in town to the cemetery and back; an agriculture fair held two days the last of October. This fair was noted for its fine horse racing. At one time the fastest race horse in Maine was owned by an Andover man. One member recalls she had to don her "long-johns" the first day of the fair regardless of the weather.

Gertrude Percival recalls she played in the Dixfield band at the fair. She played around an old bulletin of events at the fair. The next meeting will be Nov. 11 at 2 p. m. at the home of Josephine Poor. Meeting adjourned after which delicious refreshment were served by the hostesses.

The Oxford County Literary Union met Oct. 11 at Norway Episcopal Church. The Federated Union Second district meets Oct. 25 at the Rumford Methodist Church.

On Saturday, Oct. 15, at 6 p. m. at the Christian Education Building of the First Congregational Church of Andover, Investiture, Rededication and Fly-up ceremonies were held with Troop #53 and Troop #674.

Parents and friends were welcomed by the Brownie Leader, Sharon Hutchins, then the Pledge of Allegiance was said. After the Brownie Ring was completed the Brownie pins and World Association pins were presented to Heidi Belanger, Kimberly Hutchins, Bobbi Lynn Littlehale, Karen Morton and Heather Clark. Tracy Gammon was absent. Karen Simmons, Sandra Morton, Nancy Mills and Deborah Bodwell received their World Association pins. Those receiving their first and second year completed membership stars were: Lisa MacKenney, Deanna Fogg, Tammy Hall, Deanna Hutchins, Emily Gammon, Kimberly Deaneis, Jennifer Hutchins and Allyson Belanger. Linda Learned was absent.

The Yellow patch given for first year completed went to Jennifer Hutchins, Allyson Belanger, Emily Gammon, Kimberlie Deaneis, Linda Learned, Lisa MacKenney, Deanna Hutchins, Tammy Hall and Deanna Fogg. The Red Patch for the second year completed went to Jennifer Hutchins, Allyson Belanger, Kimberlie Deaneis, Emily Gammon and Deanna Hutchins. The Brownies Smile Song was sung.

As Assistant Brownie Leader, Carol Littlehale pinned on large paper wings, Sharon Hutchins presented the Bridge to Junior Patch and velvet wing patch to Allyson Belanger, Kimberlie Deaneis, Jennifer Hutchins and Emily Gammon. When presented the patches the girls broke the ring and crossed the "Bridge" to be welcomed to the Junior Girl Scouts Troop, Leader, Louise Miller.

When each fly-up girl received her Girl Scout pin and made her promise she took her place in the horse-shoe with the other Junior Girl Scouts.

Albany HUNT'S CORNER AND VICINITY

Kathy Bennett, Corres.

The weather we have been having is nearly impossible to describe. Perhaps the only word is messy! Where would we be if it had all been snow!

News seems to be rather scarce in the neighborhood this morning.

Mr. and Mrs. Ken Wakefield and Elna Hale and son, Russ, were Sunday callers at the home of Mr. and Mrs. Albert McAllister.

Elna says there is a large cloth object in the top of a tree near their farm. We figure it may be a neighbors laundry, line at dall as the win was rather severe last night!

Mr. and Mrs. Franklin Barton went to Conway, N. H., on Friday night to visit Mr. and Mrs. Arthur Seavy and family.

Saturday night callers at the Barton Farm were Don and Judy James.

Callers here at K-D's Acres this

week have been, Margaret Barton and boys, Mr. and Mrs. B. Wentworth, Mr. and Mrs. LaForest Nutting, Mrs. Polly and Paul McAllister, Gene Mallett, Jim Perkins and Mr. and Mrs. Warren Cairns, also April Rugg. That's all until next week.

Sunday River

Mrs. R. M. Fleet, Corres.
Romeo Baker had the misfortune to cut his fingers on his lawn mower the other day.

Clayton Blake rode to Rumford with Russell Yates and his mother, Eva Yates.

A year ago I had 10 cats and today only four. The auto did away with four. One got hurt and passed away while Ranger Joe what seemed to be old age. He was at least 19 years old. He is greatly missed not only by me but the rest of his relatives.

One bear was seen this week by Jeannine Fleet as she was leaving the river on her mail route.

Alva Morrison tells me they took the horses back to their home at West Paris last week.

Olivia Davis, daughter of North Waterford was a Sunday caller on her daughter and family, Mrs. Jeannine Fleet.

Bryant spent the afternoon with her also on Friday. Leslie did several chores that need to be done before cold weather sets in.

Thursday will be a special day, the Lionwich puppet theater from Freedom, Maine, will present a puppet show for us and the Head Start Center from Norway.

Our Star of the week is Elizabeth Vargiu. Her parents are Quinto and Nancy Vargiu of Bethel. Donations have been silverware and glasses from Frances Saunders and Grace Gibson. Thank you.

Northwest Bethel

Clarice Gibson, Corres.
The main topic of conversation seems to be the weather. Almost everyone I called said that they wish the weather would improve. There is still quite a lot of outdoor work to do and the days I have put aside to do them, it rains.

Meg, daughter of Sally Clay, was up to visit her mother and Lee Einzig over Columbus week end and they all went to Fryburg Fair that Saturday.

Lee Einzig's father, L. Hassler Einzig, is visiting them and one day they went to Heritage House at Glen, N. H. The also took a foliage ride up Rangeley Lakes region and saw a moose. I believe Meg was with them on the foliage trip.

Lee Einzig is being trained for the East Bethel school bus route and Sally Clay has a job proof-reading at Norway. Advertiser Democrat, Norway. Both women said that they would hate to have to go back to live in the city.

Frank Murphy is in Rumford Community Hospital with two broken ribs and pneumonia. Any one wishing to send cards, his room is 363.

Wednesday I went down to have dinner with my brother, John Allen, from San Francisco, Calif., and parents, Mr. and Mrs. George Allen at Norway.

John and Sue Laban have just returned from a week's vacation to Nantucket Island off from Cape Cod, Mass. They had about a three hour boat trip, leaving from Woods Hole and while on the island stayed in a guest-house. On the boat trip back, there was a gale storm. The boat waited four hours before taking off and then Sue said that the waves would go right over the boat. In fact, they could not land back at Woods Hole but landed at Hyannis instead and then had to get back to Woods Hole best way as no bus service. Believe they finally found a car heading in that direction. The boys stayed with Christine Smith and Amy stayed with her grandparents, Mr. and Mrs. Joseph Casey, Reading, Mass.

Jeff Hutchins' brother, Tim Hutchins and family from North Windham, were supper guests of Jeff and family Sunday night.

Frank and Sylvia Benson went Saturday evening to Ted Gallant's.

North Paris

Eveline Barrett, Corres.
Another week of funny weather and exciting games. The spectators at the 12 inning game sure got their dollars worth.

Callers at Lawrences were Mrs. Dot Smith for dinner Oct. 9. Lloyd Huntley, Vernon Poland, Sandra, also Margaret Belanger, Marie Swan and Toosie Sciaraffa and they played cards.

Frank and Sylvia Benson also had supper with their daughter and husband, Mr. and Mrs. Davis Kimball, Chantel and Anita, Oct. 9.

Larry, Ellen and their son, Shawn Smith, from Fryburg, visited his parents, Mr. and Mrs. Homer Smith this last week end.

Billy Shimamura played trumpet Saturday in the orchestra at Gould Saturday night where they had the comedy "Archie and Mehitabel." His folks, Mr. and Mrs. Shimamura, Jody and Thelma Merrill, all went to see the comedy.

Friday my aunt, Sara Andrews, Albany, and I went to Rumford and had dinner at Goodwin's.

Sunday my brother, John, and father, George Allen, had dinner with us. After dinner, Daddy, Ira and I went to C. M. C. Lewiston, to visit my mother. Frank met us at my sister's and husband, Mr. and Mrs. Donald Holden and Pearl. We had a very nice supper as Pearl wanted to entertain. She got the supper. I think that she is 12.

The weather reports say that we will be getting a cold snap after these rains so time to once again to get out the long johns.

Jeff, Jim, Beryl Oja, Mr. and Mrs. Albert Penley Sr., Nancy Mason, Heather, Timmy, Marian Hazelton, Shari.

Mrs. Adeline Stevens has a new car in the latest color.

Mrs. Phyllis Hyam was taken to Stephens Memorial Hospital Saturday evening.

Callers at the Barretts were Doris Lawrence, Beryl Oja, John Estes, Barbara Yeaton, Jackie Stevens, Frank Waterhouse.

Doris Lawrence went to Dr. Nangle's party Sunday afternoon and there had been 200 sign the guest book.

John Estes rode to Togus Tuesday with Mr. and Mrs. Ralph Estes. Ralph is to stay awhile to see about his new legs.

"Root" Lawrence is driving truck for the town of Woodstock to help build a salt and sand pile.

Mr. and Mrs. Joe Kalinowski, Stanley Ukele, Mr. and Mrs. Herman Card had dinner with the Lawrences, Oct. 16.

I hope no one had a night mare Sunday night. The wind and rain finished the leaves.

NOTICE TO CONTRACTORS

Sealed proposals, addressed to the State Department of Transportation, Augusta, Maine, and enclosed on the outside of the wrapper "Proposal for building a Hot Bituminous Paved Highway in the town of NEWRY" will be received by the Department at its office in Augusta, Maine, until 10:30 o'clock A. M. (prevailing time) on November 8, 1977, and at that time and place publicly opened and read.

Description: A Hot Bituminous Paved Highway, Maine Federal Aid Highway Project No. RS-0178 (3), town of Newry, county of Oxford.

Location: Begins on State Highway 178 (Rte. 28) in the town of Newry at Sta. 50+50, about 5.8 miles northwesterly from the intersection with Rte. U. S. 2 and extends northerly 0.625 mile to Sta. 38+50.

Outline of Work: The work consists of grading, draining, aggregate subbase, hot bituminous paving and other incidental work.

All work shall be governed by the specifications entitled "State of Maine, State Highway Commission, Standard Specifications, Revision of June 1968". Standard Specifications may be obtained upon payment of Two Dollars (\$2.00) each at the Department Accounting office in person, or Four Dollars (\$4.00) each by mail.

Plans, specifications and proposal forms may be seen at the office of the State Department of Transportation, Augusta, Maine. Plans and Proposal Books are available upon payment in advance of \$18.00 for each set of full size plans or \$14.00 for each set of half size plans and \$2.00 for each Proposal book. Single plan sheets may be purchased at the rate of \$0.35 each, minimum charge \$1.00.

No return will be required or refund made for the return of either plans or proposal books.

Each proposal must be made up on blank forms provided by the Department, and must be accompanied by an official bank check, cashier's check, certified check, certificate of deposit, or United States Postal Money Order in the amount of Seven Thousand Five Hundred Dollars (\$7,500.00) as specified in the proposal, payable to the Treasurer of the State of Maine, as a guarantee that the bidder will contract for the work if it is awarded to him.

The State Department of Transportation, in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d to 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

A Contract Performance Surety Bond and a Contract Payment Surety Bond, each in the amount of one hundred percent (100%) of the contract price will be required of the successful bidder, for the prompt and faithful performance and completion of the work to be done under the contract and for the payment in full of all labor and material used or required in connection with the work set forth in the contract.

The right is hereby reserved to reject any or all proposals.

GOULD STUDENTS DIG FOR THE PAST AT MILL HILL SITE

Through out the months of September and October, 12 students can be seen at work with shovels, trowels, buckets and a wire mesh screen in an excavation at the bottom of Mill Hill, just behind the Bethel Inn golf course. They are members of an archeology term course which was first added to the Science curriculum in the spring of 1976, and the "Dig" has continued ever since as a course or an independent study for selected students, subject only to the weather and climatic conditions.

The course was first offered by Science instructor, Al Barth, in response to student interest as one of the many "hands on" Science term courses at Gould Academy. Due to the scarcity of prehistoric Indian sites in the Bethel area it was decided to do "Colonial" archeology. In cooperation with the Bethel Historical Society, and with permission of Barry Harris, owner of the Bethel Inn, one of Bethel's early mill sites was selected. The Historical Society had already begun to collect the written, photographic and verbal history of manufacturing in the town, which resulted in the printing of a book, let entitled, "Made in Bethel," and it was thought that a detailed study of one such site would supplement this historical research.

The excavation, on the downstream side of a massive stone dam that spans Mill Brook, has revealed an almost infinite supply of "artifacts," both old and recent. The dam itself is a masterpiece of stone masonry and dates, according to early maps, from the year, 1791. It is over 200 ft. long, 8 to 14 feet wide, and is 14 feet high at the mill race opening. The spillway has long since gone and only the slightest remnant of the mill pond is now left. Other early maps show that the site at one time operated as a fulfilling mill, birch and stove mill, corn factory and starch factory.

Artifacts recovered by the classes tend to confirm the idea of multiple use and include nails, files, bottles, china, stove pieces, shafts, gears, waterwheel parts, and a myriad of other metal, leather and wooden objects. Large amounts of charcoal on the site lead to the conclusion that at least one of the buildings burned, or was burned. Two distinct types of nails, first the early, handmade "square" type, and second the "round" machine made modern nails, indicate at least two distinct periods of occupation.

A typical day at the "Dig" consists of carefully excavating the ground which was been sectioned off into a four foot square grid pattern, which allows the recording of the exact location of each object found. The artifacts are numbered and the more interesting ones housed in an exhibit in Hanscom Hall, Gould Academy's classroom building. Artifacts such as broken bottles and china are reglued in an effort to more properly identify their use and age. Objects with inscriptions allow the class to pursue their own and identify through correspondence with the companies involved, and letters have been sent to places as far away as Cincinnati, Ohio.

Students find this work very interesting and realize that, even though this is a more "modern" site, they are practicing the same techniques used by all archaeologists throughout the world. To quote the Curator of Bethel Historical Society's Moses Mason House Museum, Stan Howe, "It certainly is a worthwhile thing to do and one that could last for years and years to come."

Everyone is welcome to tour the site and watch the digging.

MRS. BARTH TO HEAD SCHOLARSHIP DRIVE

Mrs. Jane Barth, class of 1959, has been named by the Gould Academy Alumni Association to spearhead the 1977-78 Annual Alumni Scholarship Fund Drive. This special project was initiated two years ago when the Alumni Association made the decision to change the nature of the Annual Giving Program. Prior to that date, Alumni had been asked to donate to the General Fund which was used in a variety of ways beneficial to the school. It was felt, however, that by designating Alumni monies for a specific use, i.e. scholarship, that more support would be generated. The initial success of this new venture provided support for four students who were designated "Alumni Scholars" and last year's successful campaign ensured their continuing education at the Academy.

HALLOWEEN TRICKS FOR SAFER TREATING

The Mundt-Allen American Legion Auxiliary wishes to remind parents, friends and Halloween trick or treaters that with a little planning and a few precautions the holiday can be a safe and happy time. By heeding these safety tricks from the U. S. Consumer Product Safety Commission the dangers of Halloween can be reduced this year.

When selecting costumes, beads, masks or wigs, the U. S. Consumer Product Safety Commission suggests looking for flame-retardant labels. Whether purchased or homemade, avoid flimsy materials and outfits with big, baggy sleeves or billowing skirts, since these can easily catch on fire. Keep hemlines short enough to avoid tripping.

Look for costumes which are light or bright enough to be seen clearly by motorists. Even witches can wear reflective tape sewn onto their gowns or carry flashlights.

Masks or other facial disguises should not restrict vision or breathing. A natural mask of cosmetics applied directly to the skin is usually safest.

Candlelit jack-o-lanterns should not be carried by children and should be kept away from doorsteps where trick or treaters' costumes might brush against the flame. If used indoors, be certain they are not near curtains, decorations, or other furnishings that could ignite.

The Auxiliary also advises parents to follow these safety guidelines: Young children out trick-or-treating should always be accompanied by a responsible older person and should be kept in constant sight; Tell youngsters to avoid running across lawns or backyards because they can trip over lawn ornaments or run into clotheslines that are invisible in the dark; Remind children of everyday safety rules, such as not dashing out between parked cars.

Finally, if you are driving on Halloween night, use a special care. Watch for trick-or-treaters who will be too busy to watch out for you.

set and it is hoped to be reached by the end of June 1978.

Our fall rummage sale for the United Church of Christ was a big success. Thanks to everyone who took part, some cooked for the lunch, others served by selling or later packing up. Sure nice when everyone works so well together.

At church on Sunday Joe McCloy and Axel Littlefield had the service with special singing. The minister was at Maine Conference.

Barbara Lemay attended the Maine Conference.

Rain again, who would believe it.

LeRoy, Pauline Smith went to Buckfield Sunday afternoon. Later called on Donald Knight's family. Still very pretty coloring, I think.

Esther Harriman, Florence Tibbets visited Marion Kendall Friday, also took in the church sale.

screens and putting on double windows.

One evening's sunset was really beautiful, as we watched it at supper time, come and go. The effect was like magic, a dazzling beauty, as the sun lowered over Patch Mountain. There was a blazing redness but changing fast as it expanded from left to right and descended to the dimly visible earth and pond beneath. We watched the movement and color continue until it was lost forever in the waters of the pond.

John Curtis, Olney, Mont., had supper with us on Saturday. He plans to return home on Monday.

Week end visitors at the Hollis were Ann Holt, UMO; Mr. and Mrs. David Holt, Princeton; Mr. and Mrs. Robert Holt and Danny Windsor; Mr. and Mrs. "Bud" Cummings, their son, Wayne, his wife and children, South Paris; and Weston Flint, South Paris; Mr. and Mrs. Clyde Morgan, local.

Mr. and Mrs. Arne Jarvenpaa were in Yarmouth, Friday.

Mrs. Brenda Mason was hostess to a baby shower for Betty Curtis on Tuesday evening.

We called on Mr. and Mrs. Montie Millett at their place at Tubbs District, Sunday. They are here for a few days from New Hampshire.

I attended the Retired Teachers meeting in Fryeburg on Saturday. There have been two evening jewelry parties in town this week; one at Jackie Cotton's and one at Doris Hayes.

I visited Ruth Hastings and her sister at Ruth's home in South Paris on Thursday afternoon. It was good to find her better and now able to get out some. I miss her, her visits, and our hikes.

All the Hayes boys and their families that live nearby were at the Hayes Homestead over the week end.

West Bethel

— Mrs. Lona Gilbert, Corres. —

The October meeting of the West Bethel Chapel Aid was held at the home of Mrs. Sheila Head on Oct. 12 instead of Mrs. Ruth Gilbert's on account of Mrs. Gilbert's illness. Eight members attended. Two new members have joined, Mrs. Diane Kanten and Mrs. Linda Gilbert. The Christmas Sale will be held on Saturday, Nov. 19. The next meeting of the Aid will be at Mrs. Ruth Gilbert's. Refreshments were served following the business meeting.

The town water in West Bethel was without much pressure Saturday morning and later no one on the line could get any. The trouble was found to be caused by a broken wire down in the well, near the pump. It was repaired and pressure restored in mid afternoon, Saturday.

Another new house has been built in the new area in West Bethel. This one is reported built for Peter Young of Bethel.

A very heavy rain in this area Sunday night and still raining hard on Monday morning. Wild river is very high. Water four or five inches over the road at Meadow Brook on the Flat Road.

Randall Gilbert slipped on a trailer Friday and suffered a shoulder injury. He went to Rumford Hospital on Sunday for X-rays. It was found all the muscles on his shoulder pulled. He now has his arm in a sling which is fastened, so he can't move his

arm. He will go back to the hospital on Tuesday for treatment. His son, Brent, will also go to the doctor to have the cast removed from his ankle on Tuesday.

Richard Rolfe of Vernon, Conn., and Howard Rolfe of Caribou, spent the week end with their mother, Mrs. Clara Rolfe. They did quite a lot of work for her while here, returning home Sunday. Other visitors at Mrs. Rolfe's Sunday were Mr. and Mrs. Herman Morse of Norway.

Keith Bennett and sons, Tommy, Timmy, and Tracy of Mechanic Falls visited his mother, Dot Bennett and Mr. and Mrs. Lawrence Davis on the week end.

Miss Candy Bennett of Farmington, U. of M., was home for the week end.

On Thursday, Oct. 13, Alanson Cummings was at Dr. Martin's in Harrison. His daughter, Cathryn and granddaughter, Ellen, accompanied him for their flu shots.

Friday, Rebecca West, with her great grandparents and went with them to see Mr. and Mrs. Arthur Cummings of Portland, Conn., who were visiting at the Albert Downings, West Paris.

Little Rebecca and Christopher West, children of the Ray Wests of Rumford came to stay with their grandparents, the Lovejoys, Thurs-

day while their parents moved in to their new home, Saturday and Sunday. Mr. and Mrs. Cleve Lovejoy and son, Alanson, were there to help them move.

Miss Mary Frost who is employed in Norway was a guest of her sister and husband, Mr. and Mrs. Neil Gilbert over the week end.

Mr. and Mrs. Arthur Head entertained at a supper party Sunday night in honor of Mrs. Head's mother, Ruth Gilbert's birthday which was on Oct. 10. Attending were Mr. and Mrs. Paul Head, Lona Gilbert, the honor guest and husband, Arthur Gilbert, the hosts, Mr. and Mrs. Head and daughters, Jane and Marjorie. An oyster stew and salad supper and a birthday cake was enjoyed by all.

Starting Sunday, Oct. 23, for those who desire, a nursery will be provided in the church basement during services at the Union Church. Everyone is welcome.

to begin about 5.8 miles northwesterly of Newry Corner, near Horseshoe Falls and extend northerly .625 miles, to a point near the residence of Roy Bennett. The proposed highway will be mostly new location and will eliminate two dangerous turns, which have been the scenes of several accidents, some fatal, in the past few years. Also being considered by the D. O. T. for future reconstruction is Wight Brook Bridge, another danger spot on Route 26.

Warrants were posted Saturday for a Special Town Meeting, to be held at Bear River Grange Hall, Oct. 24, at 7 p. m. This meeting is being called to see if the Town will vote to accept as a Town Way, a section of the Skiway access road and the Sunday River Village Road, and to see if the Town will vote to adopt an ordinance against loitering.

DAVID H. ARSENAULT

David H. Arsenault, died Sunday Oct. 17, 1977, at his home in Bethel.

He was born in Castine, Sept. 10, 1901, the son of Lawrence A. and Venessa Heath Arsenault. He attended Telstar Regional High School in 1919-20 and was a student at Hebron Academy in 1920-21. He had lived in Hebron for the first seven years of his life when the family moved to Bethel, where he had resided since. He had many interests including soccer, skiing, photography, astronomy, mineral collecting and magic.

Surviving besides his parents of Bethel are a brother, Matthew A. of Bethel; his maternal grandparents, Alvin R. and Edie B. Heath of Penobscot.

A Mass of Christian Burial was held at Our Lady of the Snows Church, Bethel, Tuesday afternoon. Interment was at Castine Cemetery on Wednesday.

LEON W. BENNETT

Leon W. Bennett, formerly of Wilson's Mills, died Thursday afternoon, Oct. 13, 1977, at the Cozy Inn Nursing Home at Rumford where he had been a patient for almost two years.

Born at Wilson's Mills, July 7, 1888, the son of Horace and Hattie Pennock Bennett, he had lived there all his life and was married to Estella Crimmons who died on Nov. 21, 1910.

He later married Gertrude Allinson on Sept. 3, 1917. They owned and operated the Anscoos Inn at Wilson's Mills for 47 years. She died on April 30, 1965.

Survivors include one son, H. Russell Bennett of Rumford; one daughter, Mrs. Millicent Hey of Rockport; one sister, Mrs. Lois McGibbons of Lewiston; and three grandchildren.

Funeral services were held at the Spalding Memorial Chapel, Wilson's Mills, on Saturday afternoon with Rev. Dale True officiating. Burial was at the Wilson's Mills Cemetery.

CLARENCE PAT HERR

Clarence Pat Herr, died early Saturday, Oct. 17, at a Norway hospital.

He was born in Maytown, Pa., Sept. 26, 1901, the son of Paris and Mamie Tumpf Herr.

He graduated from Penn State College and Harvard University. He had been employed as U. S. Forest Service Extension Service forester in Lancaster, N. H. He joined the Brown Company in Berlin, N. H., in 1943 where he served as chief forester and resident woods manager and was vice president in charge of woods operations. He was president of the New Hampshire Timberland Owners' Association and vice president and director of Granite State Veneer Inc.

He served with the pulpwood branch of the War Production Board and the Office of Price Administration during World War II. In 1959, he was chosen to be the Colonel Greeley lecturer in industrial forestry at the University of Washington. He retired from the Brown Co. in 1969.

He was a member of the White Mountain and Lemon Bay Shrine Clubs, of the North Star Lodge of Lancaster, N. H., and Consistory and Bektash Temple and a life member of North Star Lodge of Perfection. He was also a life member of the Elks. He had made Bethel his summer home and had resided in Englewood, Fla., during the winter.

He is survived by his wife, Ethel Johnson Herr of Bethel; two daughters, Mrs. Barbara Grandins of Swanzy Center, N. H., and Mrs. Elizabeth Hackett of Hudson, N. H.; and a son, Jay of Watertown, N. Y.; and 10 grandchildren.

Funeral services were held Monday afternoon from the West Parish Congregational Church, Bethel. Interment was in the Riverside Cemetery, Bethel.

First Home Buyers

A national study done by the Chicago-based Family Housing Bureau dispels a lot of myths about the buying of first homes. Here's a few:

MYTH: First-time home buyers have been driven out of the market by escalating costs. FACT: The survey showed that 44% of today's home buyers are first time buyers.

MYTH: Young people cannot afford homes anymore. FACT: Eighty seven percent of first-time buyers are younger than 35 with the average age being 28.

MYTH: Costs for single-family homes have risen so sharply that most home buyers are turning to multi-family solutions. FACT: Ninety percent of first-time home buyers choose single family homes, 9% condos and only 4% choose multi-family homes.

MYTH: Most home buyers now spend more on mortgage payments than the recommended 1/4 of total income. FACT: One quarter of the current crop of first time buyers fall into the 1/4 rule of thumb category. Another 53% are even more conservative spending 20% or less of total income for shelter payment.

If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2570. We're here to help!
